

THE DOUGLAS COUNTY MUSEUM OF
NATURAL & CULTURAL HISTORY IS
EXCITED TO PRESENT

SHADOW EFFECTS
BY RENEE COUTURE.

Shadow Effects is a multi-media exhibit using photography, sculpture, video, maps, graphs, and the written word designed to close the gap between two seemingly disparate worlds.

In comparing and contrasting the public library with the Oregon & California Railroad Lands (O&C Lands), Couture explores Oregon's historic relationship with O&C Lands and current dependence on Safety Net funds.

Exhibit runs from February 3 - March 31, 2012. Opening reception is Friday, February 3rd, 2012 ~ 4:30 to 6 pm.

Couture was awarded a Career Opportunity Grant through the Oregon Arts Commission to assist in the funding of this project.
